LEADING DIGITAL LEARNING

OIDE TECHNOLOGY IN EDUCATION

DLPlanning.ie

Here you will find the Digital Learning Framework, planning templates and good practice videos to support you with the development of a Digital Learning Plan.

Free Online Courses

View, enrol in and access our self-paced, teacher professional learning online courses. Certified, term-time and summer courses are available, free of charge. Option to use for Croke Park hours? See especially our courses on 'Leading Digital Learning' and **(new)** 'AI for Schools'.

Good Practice Videos

Access our Good Practice videos - short clips demonstrating effective use of digital technology in primary and post-primary classrooms and whole school approaches to digital learning.

scoilnet

The Department of Education's portal for teachers and schools managed by Oide. Contains over 24,000 teacher-shared digital resources tagged to specifics within the curriculum.

Webwise.ie provides FREE online safety classroom resources for schools, advice and resources for parents, policy guidance and tools for schools and training programmes for young people. Visit **webwise.ie** for more information.

Digital Technology Infrastructure

Guidance and support on suitable Digital Technology Infrastructure (DTI), including computing devices, school networking and WiFi, projectors and interactive flat panels, learning platforms, cybersecurity and technical support. The Schools Broadband Service Desk provides a single point of contact for Schools Broadband. For queries email **ictadvice@oide.ie.**
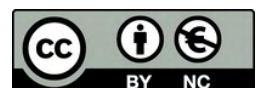

Digital Learning Hub

A new, dedicated hub for digital learning leaders, containing resources and supports on leading digital learning in your school, including our Leading Digital Learning video series.

School Support

Apply to have a professional learning leader visit your school and provide sustained support to your school throughout the academic year. https://**oide.ie/schools/**
